

## Jumbo No-Heat Fuse Bead Bucket

### Here's What You Get!

- 2500 Beads (assorted colors)
- 4 Spray Bottles
- 12 Pattern Cards
- Teacher's Activity Guide

### Instructions

1. Open bucket and choose a Pattern Card.
2. Place Pattern Card into the plastic sheath to protect it from water.
3. Fill the Spray Bottle with plain water.
4. Spray one section of the Pattern Card with water and place Beads with the large hole facing down onto the card on top of the water.
5. Once a section is completed, spray Beads again with water lightly (1-3 sprays only).
6. Allow to dry (roughly 20 minutes).

 **WARNING**  
CHOKING HAZARD-Small parts  
Not for children under 3 yrs.
